REGIONAL MMTN CONFERENCE 2023

Asia Pacific Medical Mycology Training Network (MMTN) Conference

The only regional hands-on medical mycology training meeting is back!

Combining laboratory-based and clinical sessions, this weekend workshop is a unique opportunity for all those managing and working with invasive fungal infections. With sessions tailored to microbiologists, and clinical and laboratory professionals of all levels, this is an event not to be missed!

Join our faculty of international experts and your peers to discuss and explore the challenges and latest developments in the ever-evolving practice of medical mycology in Asia and beyond.

2.5-day program

15+ international experts

2 in 1: hands-on lab workshop
+ clinical sessions
