The 10th International Congress of the Asia Pacific Society of Infection Control

This will be the second time that Singapore will host the APSIC Congress.

The congress promises to be a compelling platform for you to learn from leading experts in Infection Prevention and Control (IPC). The theme for APSIC Congress 2022 is IPC @ The Crossroads.

Whether you are an academic or infection prevention professional, educationalist, healthcare administrator, healthcare professional in a hospital or long term care facility, patient safety or clinical quality advocate or a research scientist, there will be something for you!
